## REPRESENT YOUR CLUB IN THE OCEAN REEF CUP CHALLENGE!

The Ocean Reef Club's Card Sound Sailing Club has challenged the Northern Bullseye Fleets to compete in The Ocean Reef Cup - a Midwinter Regatta that will have each club vying for bragging rights.

A final team racing format and NOR will be firmed up based on the number of boats available for loan, and the number of clubs and sailors responding. Switching boats and crews will be encouraged for inclusion of as many sailors as possible. CSSC has a fleet of 22 Bullseyes. The Regatta offers a chance to sail in February, meet other sailors and get a feel for this unique spot. Visit [oceanreef.com](http://oceanreef.com) for a view of the Club.
